

## Legal Counsel

The Alberta Law Reform Institute invites applications for a Counsel position. Counsel prepare proposals for law reform projects; conduct and supervise research; engage in consultative exercises with the public, relevant government departments and the Bar and assist in all phases of the preparation of the Institute reports.

Applicants must demonstrate quality analytic and research capabilities; the ability to write well is critical as is the ability to direct and lead policy debate. A demonstrated interest in law reform would be a decided advantage.

Interested lawyers with 2 to 5 years practice or equivalent experience should apply in writing, with their curriculum vitae (including two referees), by November 21, 2005 to:

Peter J.M. Lown, Q.C., Director, Alberta Law Reform Institute, 402 Law Centre, University of Alberta, Edmonton, AB T6G 2H5
