---

**PROFESSOR:** BROWN

**METHOD OF PRESENTATION:**                      LECTURE X    SEMINAR    OTHER

---

### METHOD OF EVALUATION:

The method of evaluation is an (open book) EXAMINATION worth 100% of the grade.

---

### COURSE DESCRIPTION:

This course examines the framework of civil litigation and civil litigation strategies, principally in the context of the Alberta *Rules of Court* and their practical operations. The civil litigation process will be canvassed from commencement through to determination or settlement. Two not-for-credit in-class drafting exercises will also be undertaken – first on pleadings, and then on chambers applications.
